

Template 7: Language Plan Template

Title of Language Plan: _____

Section 1: The Language

Provide an overview of your nation and language.

Section 2: Current Status of the Language

Provide information on the current status of your language. Summarize the results from your surveys. You may also wish to include a list of all the language resources you have found during your research in an appendix.

Section 3: Language Revitalization Plan

Vision statement for the language:

Goals:

Strategies:

Include all the strategies your Language Authority or planning committee has decided on. For each strategy, list your action steps and include targeted dates for each one. You can copy and paste the tables on the following page for as many strategies as you need, and add as many rows as you need for each action step. The language plan should be central in all your language revitalization activities. Your action steps will determine the individual projects your community will undertake. Make sure that each project is helping to achieve at least one step of your overall language plan.
